

To Whom it May Concern,

We have used B4 Enterprises for many projects. Whether on or off the job, we have always been impressed with not only their on-site personnel(s), but their office staff as well. B4 Enterprises is team player, and willing to go the extra mile on even the small things. They communicate well and are very organized. Their men on site are always well mannered, and usually found being the first ones to show, and the last ones to leave...

We are very satisfied with the quality of work, and professional people they employ. We give our full recommendation for B4 no matter the size or location or project, and will continue to use them on future projects.
